5  Independent auditor’s report
8  Profit and loss account
9  Balance sheet
10 Statement of changes in equity
11 Notes to the financial statements
The directors present their report and the financial statements of the company for the year ended 31 March 2019.

**Principal activities**
The principal activities of the company are the procurement of housing development and related services for other group companies. During the period the company has continued with the development of a number of sites in Norfolk. The company has development framework agreements with its sister company, Broadland St Benedicts, and its parent Broadland Housing Association.

**Results and dividends**
There was a profit before taxation for the year amounting to £269,570 (2018 – loss of £151,421). The directors have not recommended a dividend but are proposing to make a gift aid payment to the parent company of £118,149 during 2019. On the basis of expected future profitability, the directors have continued to use the going concern basis in preparing these financial statements.

**Principal risks and financial risk management objectives and policies**
The key risks to the business as seen by the directors are as follows:
- Lack of new development opportunities causing diseconomies of scale; and
- Development risks which are managed by the use of Design and Build contracts with contractors.

In common with other businesses, the company aims to minimise financial risk. The measures used by the directors to manage this risk include the preparation of profit and loss budgets, regular monitoring of actual performance against these budgets and ensuring that adequate financing is in place to meet the requirements of the business.

**Directors**
The directors who served the company during the year (who have all held office since incorporation) were as follows:

Michael Newey D.Sc (Hon) BSc FRICS FCIH FRSA MAHI
Julian Foster MA (Hons) ACA FCT
Andrew Savage MSc MRICS
Statement of directors' responsibilities
The directors are responsible for preparing the report of the directors and the
financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial
year. Under that law the directors have elected to prepare the financial statements in
accordance with United Kingdom Generally Accepted Accounting Practice (United
Kingdom Accounting standards and applicable laws). Under company law the
directors must not approve the financial statements unless they are satisfied that they
give a true and fair view of the state of affairs of the company and of the profit or loss
of the company for that period. In preparing these financial statements, the directors
are required to:
- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
  and
- prepare the financial statements on the going concern basis unless it is
  inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are
sufficient to show and explain the company’s transactions and disclose with
reasonable accuracy at any time the financial position of the company and enable
them to ensure that the financial statements comply with the Companies Act 2006.
They are also responsible for safeguarding the assets of the company and hence for
taking reasonable steps for the prevention and detection of fraud and other
irregularities.

In so far as each of the directors is aware:
- there is no relevant audit information of which the company’s auditor is
  unaware; and
- the directors have taken all steps that they ought to have taken as directors in
  order to make themselves aware of any relevant audit information and to
  establish that the auditor is aware of that information.

Small companies provision
This report has been prepared in accordance with the special provisions for small
companies under Part 15 of the Companies Act 2006.

On behalf of the board

Michael Newey D.Sc (Hon) BSc FRICS FCIH FRSA MAHI
Director

17 July 2019
Opinion
We have audited the financial statements of Broadland Development Services Ltd (the 'company') for the year ended 31 March 2019 which comprise the profit and loss account, balance sheet, statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland” (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:
• give a true and fair view of the state of the company’s affairs as at 31 March 2019 and of its profit for the year then ended;
• have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
• have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion
We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor’s responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC’s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern
We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:
• the directors’ use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
• the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company’s ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information
The other information comprises the information included in the annual report, other than the financial statements and our auditor’s report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.
In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006
In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception
In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a strategic report or in preparing the directors' report.

Responsibilities of directors
As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the
directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

 Auditor’s responsibilities for the audit of the financial statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council’s website at: http://www.frc.org.uk/auditorsresponsibilities This description forms part of our auditor’s report.

 Use of our report
This report is made solely to the company’s members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company’s members those matters we are required to state to them in an auditor’s report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company’s members as a body, for our audit work, for this report, or for the opinions we have formed.

Broadland Development Services Ltd

Notes to the financial statements for the year ended 31 March 2019

1 Legal status

Broadland Development Service Ltd ("the company") is a private company limited by shares incorporated in England. The registered office of the company is: NCFC, South Stand, Carrow Road, Norwich. NR1 1HU.

2 Accounting policies

Basis of accounting

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime, and under the historical cost convention. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

Going concern

The company has generated a profit in the year and expects further profits in the coming year which will improve the year end net assets position. The directors believe that the company is well placed to manage its business risks despite the current uncertain economic outlook and on the basis of expected future profitability, have continued to use the going concern basis in preparing these financial statements.

Turnover

Turnover represents the amounts (excluding value added tax) derived from the contract value of work completed derived entirely from the company's principal activities conducted within the United Kingdom. The company invoices its fellow Group companies for work performed at cost plus a margin agreed to cover the overheads of the company and the operational risks it absorbs. Under the terms of the intragroup framework agreements, such invoices are based on work completed to date.

Taxation

The tax expense represents the sum of the current tax expense and deferred tax expense. Current tax assets are recognised when tax paid exceeds the tax payable.

Current tax is based on taxable profit for the year. Current tax assets and liabilities are measured using tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax liabilities are recognised in respect of all timing differences that exist at the reporting date. Timing differences are differences between taxable profits and
total comprehensive income that arise from the inclusion of income and expenses in
tax assessments in different periods from their recognition in the financial statements.
Deferred tax assets are recognised only to the extent that it is probable that they will
be recovered by the reversal of deferred tax liabilities or other future taxable profits.

Current and deferred tax is charged or credited in profit or loss, except when it relates
to items charged or credited to other comprehensive income or equity, when the tax
follows the transaction or event it relates to and is also charged or credited to other
comprehensive income, or equity.

Current tax assets and current tax liabilities and deferred tax assets and deferred tax
liabilities are offset, if and only if, there is a legally enforceable right to set off the
amounts and the entity intends either to settle on a net basis or to realise the asset
and settle the liability simultaneously.

**Financial instruments**
The company has elected to apply the provisions of Section 11 'Basic Financial
Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of
its financial instruments.

Financial instruments are recognised when the company becomes party to the
contractual provisions of the instrument. Financial assets and liabilities are offset,
with the net amounts presented in the financial statements, when there is a legally
enforceable right to set off the recognised amounts and there is an intention to settle
on a net basis or to realise the asset and settle the liability simultaneously.

**Basic financial assets**
Basic financial assets, which include trade and other debtors and cash and bank
balances, are initially measured at transaction price including transaction costs and
are subsequently carried at amortised cost using the effective interest method unless
the arrangement constitutes a financing transaction, where the financial asset is
measured at the present value of the future receipts discounted at a market rate of
interest.

**Impairment of financial assets**
Financial assets, other than those held at fair value through profit and loss, are
assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of
one or more events that occurred after the initial recognition of the financial asset, the
estimated future cash flows have been affected. If an asset is impaired, the
impairment loss is the difference between the carrying amount and the present value
of the estimated cash flows discounted at the asset's original effective interest rate.
The impairment loss is recognised in profit or loss.
If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

**Basic financial liabilities**

Basic financial liabilities, including trade or other creditors and bank loans, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

<td><strong>26,984,914</strong></td>
</tr>
</tbody>
</table>

These capital commitments will effectively be financed by stage payments from fellow group companies under the respective development framework agreements. The company has no other financial commitments, guarantees or contingencies other than those disclosed by the balance sheet and in this note.
8 Post balance sheet events

There are no post balance sheet events which could have a material effect on these financial statements or require appropriate disclosure.

9 Parent undertaking

The parent undertaking of the company is Broadland Housing Association Limited and is the parent company of the group for which both the smallest and largest group accounts are prepared which includes the results of the Company. Broadland Housing Association’s registered office is: NCFC, South Stand, Carrow Road, Norwich. NR1 1HU.
